Passed down from generation to generation, an instant classic!

1 large bag of

FRITOS® Corn Chips

1 15 oz. can of

chili with beef (with or without beans)

1 8 oz. bag of

shredded cheese

Optional: chopped onion, tomatoes, lettuce, jalapenos and/or sour cream

INSTRUCTIONS:

In an oven-safe serving dish, pour in FRITOS® Corn Chips and spread evenly. Heat chili and pour evenly over corn chips. Add additional ingredients like onion, tomato, lettuce, and jalapeno as desired. Sprinkle cheese all over and pop into the oven at 350 degrees till the cheese is a little melted. Serve immediately with a spoon.

OTHER VARIATIONS:

There are many variations of the FRITOS CHILI PIE®. For instance, the Walking Taco uses the same ingredients as the FRITOS CHILI PIE®. However, as a fun and easy snack (usually served at fairs or sports events), the ingredients are mixed together in the bag of FRITOS® Corn Chips instead of a dish. Don't forget the spoon!
